Version Information

Promotional Text (170 chars)

Show your love for San Diego by sharing a sticker in your text messages. Let your friends and family know how much you love the America's Finest City.

Description (4000 chars)

Find and share your favorite iconic San Diego landmarks with these stunning artistic renderings of over 2 dozen of the city most beloved locations. From the Balboa Park to Petco Park, from Gaslamp Quarter to the Torrey Pines Gliderport, this unique stick back includes a variety of the best spots around the city we all love, San Diego.

Each sticker comes in 4 flavors: "I Love San Diego", "I was here!", a sticker with the landmark name, and a sticker of just the image.

Stick them to your message then fill in the details with memories and stories to share with your friends and loved ones.

Here is the complete list of stickers in this release...

- Balboa Park
- Belmont Park Roller Coaster
